

# A Global Platform for Healthcare, AYUSH & Wellness Innovation

Connecting global stakeholders across healthcare, lifesciences, wellness, and preventive care

26th - 27th June 2026

Côte d'Or National Sports Complex, Mauritius

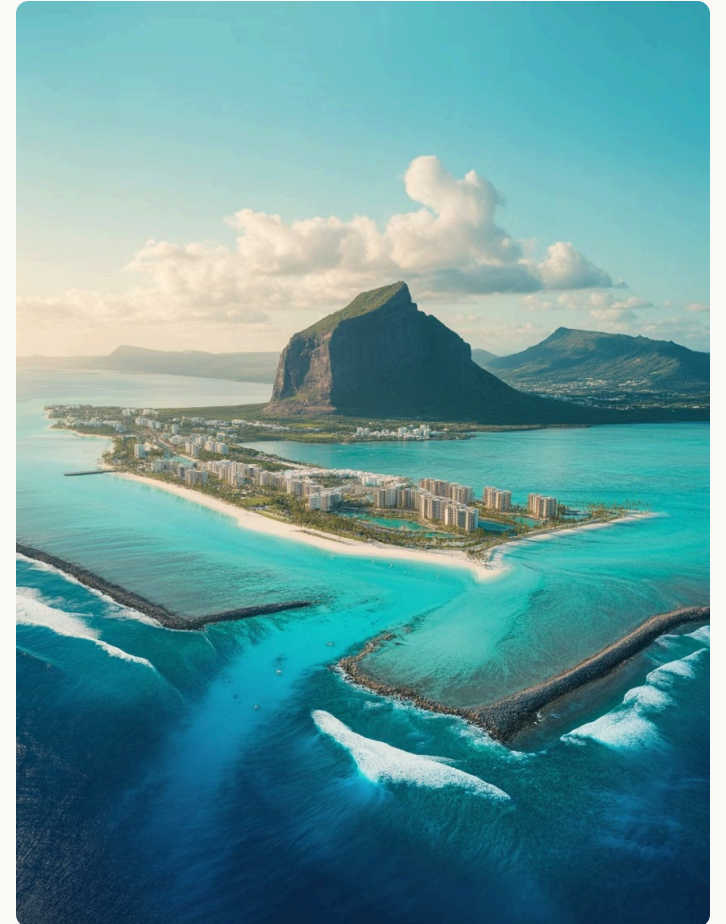

# About Healthica

Healthica is a premier B2B exposition and conference platform connecting global stakeholders across healthcare, life sciences, AYUSH, wellness, preventive care and active lifestyles.

Built in Mauritius, a strategic gateway between Africa and India, enabling international trade, collaboration, investment and knowledge exchange to build future-ready, sustainable healthcare ecosystems worldwide.

Through curated conferences and exhibitions, Healthica shapes global conversations around innovation, accessibility and long-term healthcare sustainability.
